FROM: Steven J. Dembe
Manager, Licence Division

SUBJECT: Taxicab Priority List Annual Renewal for 1993

RECOMMENDATION:

- (a) That the attached list of 250 names of individuals who have applied for renewal of their names on the Taxicab Priority List for 1993, in accordance with By-law 93-069, be approved.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

N/A

BACKGROUND:

For the year ending December 31, 1992, 280 persons were approved on the Taxicab Priority List. Between January 1, 1993 and August 11, 1993, 49 individuals paid the fee of \$60.00 to request that their name be maintained on the 1993 Taxicab Priority List.

On August 11, 1993 a Reminder Notice was sent by ordinary mail to the remaining 231 persons on the Taxicab Priority List. In addition to sending of the Reminder Notices, similar Notices were posted at the three Taxi Brokerages and Taxicab Inspection Office.

As a result of the sending of the Reminder Notice on August 11, 1993 and the posting of Notices, a total of 189 persons paid the \$60.00 fee to maintain their names on the list. In total, 238 persons have paid to maintain their names on the list by September 30, 1993.

On October 26, 1993, the Taxicab By-law was amended to provide for a late payment fee of \$100.00 after September 30, 1993 and on or before December 31, 1993 in order to maintain one's name on the Priority List. Reminder Notices were forwarded to the 42 individuals, who had not paid the fee of \$60.00 by September 30, 1993. The addresses of these 42 individuals were checked with the existing licence records for any address change. As result, only one letter was returned by the Post Office as undelivered. All three taxicab brokerages were contacted, but this individual has not been located.

Twelve individuals renewed their name on the Taxicab Priority List between October 1, 1993 and December 31, 1993 for a fee of \$100.00. As a result, there are 250 individuals who are requesting that their names be approved for the 1993 Taxicab Priority List.

SUBJECT: Annual Report on Inspections of
Second Level Lodging Houses

DATE: 1993 December 28

As required by Section 45 of the Second Level Lodging House By-law, please find attached a list of all Second Level Lodging Houses inspected by our Department during the last twelve (12) month period. This list includes a status report on the results of our inspection (at the time of inspection).

The major change to our inspection procedures this year was as the result of a ruling by the Office of the Fire Marshal which stated that two (2) recently enacted Sections of the Ontario Fire Code supersede the requirements of By-law 80-259 (please refer to your memo dated November 8, 1993 on this subject).

As a result, we have begun Retrofit inspections of a number of Second Level Lodging Houses and under the column headed "Status", I have identified premises which have outstanding Retrofit requirements. Please note, however, that the owners of these premises have until October 9, 1994 to comply with the Retrofit requirements and may apply for a further extension of 2 to 3 years.

Any other premises simply having outstanding requirements in the status column will be for non-Retrofit items which we expect the operators to comply with within a reasonable time frame.

Of course, any major infractions encountered are dealt with in a very short time frame and result in either court action or notification to the Licencing Department that compliance is not being obtained.

As a final note, due to a reduction in staff and assignment to other duties, several Second Level Lodging Houses, which have been identified, have not yet been inspected. It is anticipated that these remaining premises will have been inspected early in January 1994.

If you have any questions or concerns with regard to the details of this report, please contact me.

Some discussion ensued with respect to this matter and staff were directed to investigate allegations of bootlegging in the taxi industry and report back to the Committee in this regard.

7. Adjournment

3. Fire Department Annual Report - Second Level Lodging Houses

Jim Winn, Acting Chief Fire Prevention Officer, provided further details regarding the annual inspection of Second Level Lodging Houses and compliance procedures. He assured the Committee that there was an excellent exchange of information between departments and all major problems are dealt with immediately. The Second Level Lodging House Administration Committee also meets on a regular basis to discuss any concerns and to take action on any facility with outstanding non-compliance of a serious nature.

4. Show Cause Hearings

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Cab Driver Licence Application of Bradley Nyhuis, 103 Trenholme Crescent, L8W 2L5, be denied.
- (b) That the Cab Driver Licence Application of Mostafa Dabirian, 123 Charlton Avenue East #2010, L8N 3W3, be granted a probationary period to expire December 31, 1994.
- (c) That the Foodshop-Takeout Licence application of Joao Correia, 341 Barton Street East, be denied.
- (d) That the Cab Driver Licence renewal application of Edward Phillips, 55 Tindale Court #403, be granted a probationary period to expire December 31, 1994.

5. Update - John A. Baddeley

Mr. Dembe informed the Committee that the Butcher Shop had closed and a Sheriff's Notice was on the door. Mr. Baddeley could not be located. At this time, the Committee cannot proceed with a Show Cause Hearing.

6. Donald Horrocks

Mr. Dembe presented a request from Cab Owner, Donald Horrocks, to be given the option to sell his Cab Owner Licence. He further informed the Committee that Mr. Horrocks had received a Cab Owner Licence from the Priority List as a result of a court settlement in 1981. A condition of the settlement was that he could not transfer the Cab Owner Licence for 15 years. Mr. Horrocks suffers from chronic back problem and has been advised by his physician to not drive for long periods of time. Medical information was submitted to the Committee. City Council had previously granted him permission to lease the taxicab owner plate. Mr. Horrocks advised that he was in financial difficulty and requested that he, at least, have the option of transferring the Cab Owner Licence to his wife. Mr. Dembe gave information from a memo from Ron Sabo of the Law Department regarding Mr. Horrocks' request.

It was the Committee's decision to deny the request.

7. Bingo

Pat Kennelly, Chairman of the Bingo Sponsors Associations, informed the Committee that some charities are not providing bona fide members to assist at the bingo events and are also relying on the assistance of hall help. There is abuse in the payment of honorariums. In order to help solve this problem, he recommended that, if the charities insist on using hall help, they do not pay honorariums to their bona fide members.

Mr. Kennelly also informed the Committee that several unprofitable time slots have been voluntarily cancelled and the profits for the charities have been rising.

Mr. Dembe stated that the Licence Inspectors would be working at a hall in order to become more knowledgeable about all aspects of bingo lottery events. The Enforcement Section will commence routine inspections of all bingo events immediately.

Mr. Dembe further stated that he would be requesting issuance of bingo lottery licences for the remainder of the 6-month period to end June 30, 1994. This was due to the fact that a true performance analysis could not be obtained at this time on the various bingo time slots as a result of poor weather conditions that adversely affected many of the bingo lottery events and with the new Terms and Conditions, the Bingo Industry as a whole was trying to find an optimal level of prizeboards, pricing and formats.

8. Renewal of Licences

Mr. Dembe informed the Committee that as of February 9, 1994, 60% of the renewal licence fees had been received. In the past, the Licence Inspectors have attended premises that have not renewed their licences and requested payment immediately

before By-law charges were laid. As a result of other licensing enforcement priorities, the Committee agreed that a strongly worded caution letter should first be sent to those individuals who have not renewed their licence. This letter would also include the maximum fine for failure to renew the licence.

9.. Adjournment

There being no further business, the meeting adjourned at 7:20 p.m.

Taken as read and approved,

Alderman Terry Cooke
Chairperson
City of Hamilton Licensing Committee

Dean Barrow
Acting Secretary
City of Hamilton Licensing Committee

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Cab Driver Licence Application of Paul Harris, 15 Charlton Street West, be granted for a 6-month probationary period.
- (b) That the Tow Truck Driver Licence Application of Steven J. Manion, 15 Grant Avenue #1, Hamilton, L8N 2X4, be denied.
- (c) That the Tow Truck Driver Licence Application of Lee Ting-Yan, 108 Montmorency Drive, Hamilton, L8K 6R1, be granted for a one year probationary period.
- (d) That the Tow Truck Owner and Driver licence applications of Alex Centurami, 55 Rymal Road East, Hamilton, L9B 1B9 be granted for a one year probationary period.

4. Other Business

Monster Bingos

Mr. Dembe informed the Committee that the Monster Bingo which was held on February 12, 1994 by the Good Shepherd Centre at the Hamilton Convention Centre was successful, but their administrative expenses exceeded the allowable percentage permitted by the Province. There was a definite impact on the existing bingo lottery events from this Monster Bingo.

The charitable organization Neighbour to Neighbour has a pending application for a Monster Bingo and is concerned that it may be prevented from conducting such an event. Mr. Dembe recommended that Monster Bingos be conducted on a smaller scale at the existing Hamilton bingo halls. These halls have expressed an interest in conducting such events on a rotational basis, once a month.

Existing bingo licensees would not be able to conduct these events. The bingo market would be open to other religious and charitable organizations who are not presently involved in bingo lotteries.

5. Adjournment

There being no further business, the meeting adjourned at 6:30 p.m.

Taken as read and approved,

Alderman Terry Cooke
Chairperson
City of Hamilton Licensing Committee

Dean Barrow
Acting Secretary
City of Hamilton Licensing Committee

CITY OF HAMILTON
- RECOMMENDATION

4.

DATE: 1994 April 8

REPORT TO: Stella Glover
Secretary, Licensing Committee

FROM: Steven J. Dembe
Manager, Licence Division

SUBJECT: Special Bingo Events (Monster Bingos)

RECOMMENDATION:

- (a) That approval be given to the holding of one Monster Bingo Event in each 30 day period in the City of Hamilton.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

As these licences are issued by the Province of Ontario, no revenue is derived by the City. Staff will, however, monitor the success of these events to ensure compliance with all Terms and Conditions under which Bingo Lottery Licences are issued.

BACKGROUND:

Special Bingos are any bingo events that exceed \$5,500. in prizes and require a Provincial Licence. Municipal approval must be given first. Such licences are approved on a first come, first served basis.

In addition to the Terms and Conditions under which regular and special bingo events are conducted, the following Provincial criteria must be met:

- (1) In the Regional Municipality of Hamilton-Wentworth, Special Bingo events will be limited to one licence per 15-day period, per 30km radius.
- (2) To be eligible for a Special Bingo licence, the applicant may not have a regular bingo licence within three months, before and after the date of a Special event.

- (3) When an organization does not conduct regular bingos, a maximum of one Special Bingo per month (12 per calendar year) may be licensed.
- (4) All applications with prizeboards of \$10,000. or more must be accompanied by an irrevocable Letter of Credit made payable to the Treasurer of Ontario, valued at the total prize and be valid for up to 45 days after the event takes place.

The Licensing Committee approved a \$25,000. Bingo Lottery Event to be conducted at the Hamilton Convention Centre on February 12, 1994 by the Good Shepherd Centre on a trial basis. By law, the Charity is permitted to pay no more than 15% administrative expenses to conduct a bingo event. Although the net profit derived was approximately \$14,000. The charity had expenses totalling 30.89% exceeding the allowable expenses by more than 100%.

Regarding the impact this event had on the traditional bingo market, according to the information received from the local Bingo Hall Owners, there was some decrease in attendance at their halls for the two days following the event. This resulted in decreased profits for the charities in the bingo halls.

Based on the experience by the Good Shepherd Centre, it would appear that any charity using facilities other than bingo halls would find it extremely difficult to stay within the 15% Maximum Administrative Expenses. This is largely due to the fact that most facilities which do not own their own bingo equipment incur added expenses.

The holding of Special Bingo Events has been endorsed by all Bingo Hall Owners who are willing to conduct such events on a rotational basis. Although there will be some effect on the traditional bingo market, such special bingo events provide an opportunity for various charities who are not involved in the Bingo Industry on a regular basis to raise funds.

Applications will be reviewed to ensure that the event is structured so that the expenses do not exceed the 15% maximum Administrative Expenses law.

In dealing with applications to conduct Special Bingo Events at bingo halls or other approved facilities, such as public halls, staff will attempt to as fairly as possible deal with applications on a first come, first served basis. The bingo halls may among themselves hold events on a rotational basis.

As Monster bingo events are being recommended on a trial basis, approval of one licence during each 30 day period will be recommended. To date, three applications have now been received from charitable organizations in three of the five bingo halls. Notwithstanding that the Provincial Law only restricts these bingo events to one per 15 day period within a 30km radius, the Province has advised that the municipality can restrict approval to one event every 30 days within its jurisdiction, as Council can determine the issuance of Bingo Lottery Licences in the best interests of the municipality. Ultimately, the Province has the final decision to approve a licence application.

Dear Ms. Glover:

Thanks to the City licensing of Nevada Break Open tickets, and Bob Nichols of Bazaar & Novelty tickets who arranged a location for us at the Zellers Kiosk on Mohawk Road and Upper Sherman, we began selling Nevada tickets at that location a year ago. Ron Serafini had just opened the kiosk, and we quite happy to work with him in building up the location. The relationship has always been good, and no problems were ever encountered.

After a few months, the location began doing quite well, but only the city licensing clerk, Bazaar & Novelty from whom we bought the tickets, and our congregants knew that. We were able to establish a proper religious school for our children, and begin doing some much needed roof and other repairs to our 43 year old building. Just two months ago our Board decided to finally make our building accessible to the disabled, and we set about hiring contractors for the summer to turn the front sidewalk and steps into a full ramp, and construct a wheelchair lift from the lower level, to the main level, to the upper level of our building.

On March 16th, I submitted an application and cheque for a new 6 month licence to City Hall. Later that afternoon I was informed that the location was being turned over to Bob Nichols and his minor hockey team the Hamilton Kilty B's, and we would no longer have a location. I had not received any hint or notice of this from either party (Ron Serafini or Bob Nichols) before that date. When I asked Bob if we could at least take their old location I was told it was given to someone else, and no other lottery booth locations are available.

We are truly grateful for the funds we have been able to raise to date. We really began to count on this fundraising, as we have had to carry many of our congregants during the recession in the last couple of years. We will have to put the accessibility project and rewiring on hold. Surely there must be a way to protect charities from being turfed out of a location through no fault of their own. Perhaps there could be a way of sharing the proceeds between the groups, or having a wait list available, or rotating the groups.

I am sending you this letter with the hope that your licensing committee can discuss the issue at your next meeting.

Yours very truly,

Louise Rotman, CA

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Cab Driver Licence Application of Paul Nyffenegger, 2625 King Street East, #5B, be granted for a 6-month probationary period.
- (b) That the Cab Driver Licence Application of Satish Bassi, 31 Regis Street, Stoney Creek, be granted for a 1-year probationary period.
- (c) That the Cab Driver Licence Application of Francisco Ibazeta, 31 Wentworth Street North, be granted for a 1-year probationary period.

4. Monster Bingos

After considerable discussion, the Committee did not approve the recommendation for the holding of one Monster Bingo Event in each 30 day period in the City of Hamilton.

5. Correspondence - Temple Anshe Sholom

Temple Anshe Sholom, a charitable organization, was replaced at a Nevada 3rd Party Location by another organization and had expressed its concern regarding the manner in which it was treated and that it was forced to stop the lottery until a new location can be found.

Although the Committee could not do anything regarding the complaint, it recommended that a letter be sent to the complainant and the Province respecting this type of treatment to a charity by a Gaming Supplier (3rd Party Location), licensed by the Province.

6. Other Business**Arcades Report**

Doug Rose, Chief Licence Inspector, informed the Committee that the 6-month report respecting the Palace and Casino Arcades would be presented at the next meeting of the Committee.

Bingo Lottery Seminars

Steven Dembe informed the Committee that staff and representatives of the Hamilton-Wentworth Regional Police have started a series of bingo training sessions which all designated members in charge of the bingo event must attend. These bingo representatives will be updated on the new Provincial Legislation, as well as the bingo financial controls and accountability which must be put in place immediately.

Licence Renewal Process

Mr. Dembe advised the Committee that, in March 1994, a second reminder notice was sent out to holders of unpaid licences. Although there was a good response, those individuals who have still not renewed their licences will be issued a 5-day Notice To Comply, after which charges will be laid.

Mr. Schatz stated that such problems will be addressed in a shorter time frame next year.

Policy Respecting Delegations

Mr. Dembe stated that he had received a letter from Alderman Drury respecting a delegation who wanted to present information to the Committee regarding a licensing problem. Mr. Dembe informed the Committee of the existing policy and that an attempt to resolve the problem should be firstly undertaken and, if the problem cannot be resolved, then the Committee would be asked to have a show cause hearing.

It was the recommendation of the Committee that an attempt be made to resolve the problem within the next month and report back.

Public Hall Application

Mr. Dembe advised the Committee that an application for a Public Hall licence at a location which had problems of overcrowding and non-compliance in the past is now ready to be issued. The Committee agreed to the recommendation to bring the applicant to the next meeting of the Committee.

7. Adjournment

There being no further business, the meeting adjourned at 7:10 p.m.

Taken as read and approved,

Alderman D. Wilson
Acting Chairperson
City of Hamilton Licensing Committee

Dean Barrow
Acting Secretary
City of Hamilton Licensing Committee

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Cab Driver Licence Application of Paul Nyffenegger, 2625 King Street East, #5B, be granted for a 6-month probationary period.
- (b) That the Cab Driver Licence Application of Satish Bassi, 31 Regis Street, Stoney Creek, be granted for a 1-year probationary period.
- (c) That the Cab Driver Licence Application of Francisco Ibazeta, 31 Wentworth Street North, be granted for a 1-year probationary period.

4. Monster Bingos

After considerable discussion, the Committee did not approve the recommendation for the holding of one Monster Bingo Event in each 30 day period in the City of Hamilton.

5. Correspondence - Temple Anshe Sholom

Temple Anshe Sholom, a charitable organization, was replaced at a Nevada 3rd Party Location by another organization and had expressed its concern regarding the manner in which it was treated and that it was forced to stop the lottery until a new location can be found.

Although the Committee could not do anything regarding the complaint, it recommended that a letter be sent to the complainant and the Province respecting this type of treatment to a charity by a Gaming Supplier (3rd Party Location), licensed by the Province.

6. Other Business

Arcades Report

Doug Rose, Chief Licence Inspector, informed the Committee that the 6-month report respecting the Palace and Casino Arcades would be presented at the next meeting of the Committee.

Bingo Lottery Seminars

Steven Dembe informed the Committee that staff and representatives of the Hamilton-Wentworth Regional Police have started a series of bingo training sessions which all designated members in charge of the bingo event must attend. These bingo representatives will be updated on the new Provincial Legislation, as well as the bingo financial controls and accountability which must be put in place immediately.

Licence Renewal Process

Mr. Dembe advised the Committee that, in March 1994, a second reminder notice was sent out to holders of unpaid licences. Although there was a good response, those individuals who have still not renewed their licences will be issued a 5-day Notice To Comply, after which charges will be laid.

Mr. Schatz stated that such problems will be addressed in a shorter time frame next year.

Policy Respecting Delegations

Mr. Dembe stated that he had received a letter from Alderman Drury respecting a delegation who wanted to present information to the Committee regarding a licensing problem. Mr. Dembe informed the Committee of the existing policy and that an attempt to resolve the problem should be firstly undertaken and, if the problem cannot be resolved, then the Committee would be asked to have a show cause hearing.

It was the recommendation of the Committee that an attempt be made to resolve the problem within the next month and report back.

Public Hall Application

Mr. Dembe advised the Committee that an application for a Public Hall licence at a location which had problems of overcrowding and non-compliance in the past is now ready to be issued. The Committee agreed to the recommendation to bring the applicant to the next meeting of the Committee.

7. Adjournment

There being no further business, the meeting adjourned at 7:10 p.m.

Taken as read and approved,

Alderman D. Wilson
Acting Chairperson
City of Hamilton Licensing Committee

Dean Barrow
Acting Secretary
City of Hamilton Licensing Committee

3. **SECOND LEVEL LODGING HOUSE - 265 BAY STREET SOUTH - AMELIA ACIERTO**

The Committee was in receipt of an Information Report dated 1994 June 8 from the Chief Licence Inspector with regard to 265 Bay Street South. Mr. & Mrs. Acierto attended in response to a request from the Licence Division with regard to a recent conviction in Provincial Court for breaching the Second Level Lodging Houses By-law by employing an unqualified person.

Ms. Carmella Vidic, a Social Services worker and Bob Morley, Licence Inspector, attended and provided background to the charge and subsequent conviction. Mr. & Mrs. Acierto spoke on their own behalf and explained that since they had been made aware of a problem, they had rectified this.

It was noted that the Social Services Department and the Licence Division had subsequently checked the facility and qualified staff had been found to be in attendance.

The Chairperson advised of the Licensing Committee's responsibility and grave concerns in the matter. The Committee agreed as follows:

That a 1 year probationary period be imposed upon the Second Level Lodging House Licence of Amelia Acierto and that the Licensing Division, Fire Department and Health Department be asked to immediately carry out inspections of the premises at 265 Bay Street South with subsequent monthly inspections by the Licence Division and the Health Department.

4. **SHOW CAUSE HEARINGS**

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- a) That the Cab Driver Licence Renewal of Inderjit Malhotra, 11 Kendale Court #102, Hamilton be denied on the grounds of Mr. Malhotra's extensive driving record.
- b) That the Cab Driver Licence Application of Sharif Soliman, 23 Spring Street #710, Hamilton be granted for a 1 year probationary period.
- c) That the Tow Truck Driver Licence Application of Byron E. Daniel, 6 East 25th Street, Hamilton, be tabled until the next meeting.

- d) That the Cab Driver Licence Application of Keith A. Martin, 1165 Fennell Avenue East, Hamilton, be granted for a 1 year probationary period.
- e) That the Garage D Licence Application of Daniel Mitchell (Southside Parking), 24 Bowen Street, Hamilton, be granted for a 1 year probationary period.

The Committee then resumed in open session.

5. ARCADE - 61 AND 79 KING STREET EAST - KARRUM AMUSEMENTS LIMITED

Sergeant Peter McHarg, Hamilton-Wentworth Regional Police attended, and advised the Committee of incidents which had occurred on the premises since the written report of 1994 April 9 of the Hamilton-Wentworth Regional Police.

The Chief Licence Inspector, Mr. D. Rose, said that although loitering had decreased, the Licence Division were still concerned with violations at both premises. It was noted that the owners had been very co-operative. Mr. Rose suggested that Show Cause Hearings be held at both properties in order that the problems not move from one premises to another.

After discussion the Committee agreed that a Show Cause Hearing be held with regard to 61 and 79 King Street East, Karrum Amusements Limited, to take place on Wednesday, 1994 July 13 at 6:00 o'clock p.m.

6. OTHER BUSINESS

a) Second Level Lodging House - Hazel Ross-Iampietro, 185 Delaware Avenue

The Committee was in receipt of a report from the Manager of the Licence Division dated 1994 June 8, with regard to the Second Level Lodging House at 185 Delaware Avenue and agreed as follows:

That the application of Hazel Ross-Iampietro for Second Level Lodging House Licence at 185 Delaware Avenue for a capacity of nine residents, be approved.

b) Ontario March of Dimes Monte Carlo Application

The Licence Division Manager withdrew this item from the Agenda.

There were present: Alderman D. Drury, Acting Chairperson

Mr. J. Jones

Also present: Steven Dembe, Licensing Division Manager
Stella Glover, Secretary

The Committee was in receipt of a request from Veterans Taxi Company to transport passengers for the Earthsong Festival, 1994 June 30 - July 3.

The Licensing Division Manager advised that this was the same promotional plan which was approved by the Licensing Committee in the previous year. He stated that the City of Hamilton Taxi By-law No. 92-172 Part 9, Section 31 respecting promotional schemes, authorizes the City of Hamilton Licensing Committee to approve in writing all taxi promotional schemes, and that this scheme conformed to the foregoing. After consideration, the Licensing Committee agreed as follows:

"That Veterans Taxi be granted approval to transport passengers for the Earthsong Festival, 1994 June 30 - July 3 as follows:

Method of Operation - All passengers will be charged \$2. for transportation between Earthsong and the Downtown Depot - Property location in the vicinity of King and James/Connaught Hotel.

That the sum of 50 cents of each \$2. fare will be contributed to the Community Child Abuse Council for the duration of the 4-day event. All advertising and promotion of the service will be a joint venture of these parties with the festival. The Child Abuse Council and Veterans Service will be actively promoted.

Taxi participation will be voluntary and the Taxi operator will maintain regular trip records. The driver will be paid at present By-law hourly rate of \$19.30 for any shortfall between the total net trips".

CITY OF HAMILTON

- INFORMATION -

DATE: 1994 June 30

REPORT TO: S. Glover, Secretary
City of Hamilton Licensing Committee

FROM: R. Sabo
Solicitor

SUBJECT: Proposed Changes to Statutory Powers Procedure Act

BACKGROUND: Bill 175, The Statute Law Amendment Act (Government Management and Services), 1994, received first reading on June 6. One of the laws to be amended is the Statutory Powers Procedure Act, which governs much of the Committee's procedure. Whether the Bill will become law, and when, are uncertain. Progress of the Bill will be followed.

DISCUSSION: Generally, the changes are intended to make tribunals more efficient. New powers are given, to simplify procedures and improve the focus of hearings. There is increased opportunity to narrow issues and eliminate hearings. Procedural decisions may be made prior to hearings. Similar hearings may be combined. The committee may correct decisions and re-hear cases, to correct clerical defects or as a way to control court challenges. Rules of procedure are needed to take advantage of some changes. The new powers are mostly optional. Given the relationship to Council, it is recommended the Committee have Council approve any rules. Some details of the proposed amendments are:

- a) Besides oral hearings, electronic or written "hearings" will become possible. Electronic hearings, such as conference calls and video satellite conferences will be permitted, much the same as current hearings. Conference calls may be useful for quorum problems. Written hearings are conducted completely by documents from the parties, without a hearing, witnesses or testimony. Committee members will meet to review the documents and make a decision. Electronic hearings need not be open to the public. The documents in a written hearing must be available for reasonable public access. The new hearing types may be opposed by the parties.
- b) If the parties and the tribunal agree, any procedural requirement may be waived. Council may need to be told of this power before it is used to changes procedure in by-laws.
- c) The Chairman can assign a panel of one or more members to hear and decide procedural and interlocutory matters (matters other than final decisions).
- d) The tribunal may require pre-hearing conferences to settle any number of matters prior to the hearing. The Chairman may designate a member of the tribunal or any other person to preside at the pre-hearing. Matters such as settlement, agreed facts and issues, length and date of hearing, etc. may be dealt with, and orders issued. An example of an order might be for disclosure of

witness statements. Where a member of the tribunal presides at the pre-hearing conference, that member may not also preside at the hearing. Pre-hearings may solve some of the time and agenda restraints currently faced by the committee.

e) The tribunal may order disclosure of information by the parties, giving access to documents, an oral or written examination of witnesses, an exchange of witness statements and reports of expert witnesses, particulars, or any other form of disclosure.

f) Where hearings involve the same or similar questions of fact, law or policy, the tribunal can: combine two or more proceedings, hear proceedings at the same time, hear proceedings one after the other, or stay hearings in one or more matters until one hearing results in a decision. Evidence from one such hearing may be used in another. Some alternatives require the consent of parties, and some are not available when the committee decides to hold a hearing in private.

g) The committee can limit unnecessary examination and cross examination (Subject to the duty to allow the parties reasonable access required for full and fair disclosure of all matters relevant to the issues in the proceeding).

h) With the consent of parties, evidence admitted in previous hearings or courts may be admitted. So for instance, the committee could look behind a record of conviction and the decision of the court, to review the evidence given at a previous trial.

i) The committee may allow panels of witnesses to testify, as opposed to one at a time, provided the parties first get to make submissions on the issue. Swearing in witnesses for all parties at the start of the hearing may speed up hearings.

j) Service of decisions may be made by other means than mail, ie facsimile or other electronic transmission.

k) The committee may make interim decisions and orders, with conditions. The committee may at any time correct a typographical error, error of calculation or similar error in its decision or order. The committee may review all or part of its own decision or order, and may confirm, vary, suspend or cancel the decision or order. The by-laws or special legislation may require amendment to permit full use of these powers. These powers will give added flexibility and help avoid liability in legal challenges.

l) The committee is given the power to make rules of practice and procedure, which are consistent with the laws that govern the tribunal (mainly the Statutory Powers Procedure Act, the Municipal Act and special legislation). Rules are needed to use of some of the above powers (being a, d, e, other means of service in j, and the review of its own decision in l). Rules must be in both english and french. It is recommended that any rules be approved as well through Council.

Should the Bill become law, the Committee may want to consider their new powers and receive further information.

3. SHOW CAUSE HEARINGS

(b) Bingo - Hamilton Hurricanes Football Club

Sean Richardz, legal representative for Mr. Coleman, attended and requested an adjournment as Mr. Coleman was absent as the result of a recent car accident. However the City pointed that Mr. Barubek and other representatives of the Club were present, and were anxious to proceed.

Mr. Barubek advised the Committee of internal differences in the management of the Club, prior to which he said the Club had operated for over 30 years without problems. He stated that the Club was attempting to regain possession of its charter and seal, and to rectify the situation. It was important for the Club to retain its Bingo Licence in order to remain financially viable.

After consideration, the Committee suspended the Bingo Licence until October 4 on the grounds of failure to provide the required reports and documentation, and on the understanding that the next scheduled bingo game for the Hamilton Hurricanes is not until October 8th.

A special Licensing Committee meeting is to be held on 1994 October 4 to consider the matter fully, at which time the Committee requires both Mr. Barubek and Mr. Coleman to be present, a valid Board of Directors to be in place, and all outstanding financial documentation to be made available to the City Clerk's office by 1994 September 30th.

Mr. Richardz was requested to have his client present at this special meeting together with the Charter and seal of the Club.

(a) Public Hall Licence - Polish Alliance Dance Club

Alderman Don Drury declared an interest and refrained from discussion and voting in this matter.

Mr. and Mrs. Jerry Palkowski attended together with legal representative Mr. Marini to show cause why their Public Hall Licence should not be suspended or revoked.

The City called witnesses, including P.C. Steve Stone, L.L.B.O. Inspector Tony Connolly, Mrs. Teresa Howarth and Licence Inspector Jim Stevenson who gave evidence with regard to lack of proper management responsibility and control by the licensee and his employees, improper use of special occasion permits and liquor licence violations.

Two petitions were submitted from neighbours of 644 Barton Street East with regard to vandalism, noise, and complete disruption of the neighbourhood during the operation of the public hall at 644 Barton Street East.

Mr. Marini, on behalf of Mr. and Mrs. Palkowski, submitted that the problems had occurred in the past due to inexperience and stated that steps had been taken to correct the situation.

Mr. Marini filed two letters of reference on behalf of the Palkowskis.

After consideration, the Licensing Committee agreed to revoke the Public Hall Licence at 644 Barton Street East on the grounds of

- evidence submitted with respect to the lack of control, both within the premises and immediately outside the premises
- the uncontrolled behaviour that posed a serious aggravation to neighbouring residents
- the use of a fraudulent special occasion permit
- the unwillingness to heed numerous and repeated requests by the City and Liquor Licence Board to take control of the situation, as long ago as the previous January.

4. **ADJOURNMENT**

There being no further business, the meeting then adjourned.

Taken as read and approved.

Also present: S. Richarz, Solicitor

1. HAMILTON HURRICANES FOOTBALL CLUB - SHOW CAUSE HEARING

Jim Child declared an interest and refrained from discussion and voting in this matter.

Mr. Rose, on behalf of the City, advised that Wally Barubek would not be present that evening, and had in fact submitted a letter advising of his resignation from the Hamilton Hurricanes Football Club.

Mr. Sean Richarz, Solicitor on behalf of Mr. Coleman, attended and asked for a two week adjournment on the basis that Mr. Coleman had re-injured himself. The Committee was advised that it had been necessary for Mr. Coleman to find an alternative accounting firm as the original firm consulted appeared to have a conflict.

Mr. Rose, on behalf of the City, requested that in the event the Committee granted an adjournment, the licence be suspended until such time as all outstanding requirements were met.

The Committee was advised that, due to Mr. Barubek's resignation, the Club no longer had authorized signing officers on the Lottery Licence.

After consideration, the Committee agreed as follows:

1. That John Coleman, Wally Barubek, and other Board Members of the Hamilton Hurricanes Football Club be subpoenaed to attend a Show Cause Hearing on Tuesday, 1994 October 11 at 6:30 p.m., Room 219, City Hall.
2. That the suspension of the Bingo Licence be continued until all required financial documentation is submitted and a valid Board of Directors is in place.

2. OTHER BUSINESS**(a) 644 Barton Street**

Mr. Rose updated the Committee on the status of 644 Barton Street and it was noted that although the Club was no longer operating as a dance hall and selling liquor, a problem still existed with the adjacent municipal parking lot where youths were drinking.

The Committee requested staff to investigate, with the Parking Authority, the possibility of having the lighting improved in the municipal parking lot immediately adjacent to 644 Barton Street.

(b) Licensing Committee Meeting.

It was agreed that the Licensing Committee meeting scheduled for Wednesday, 1994 October 12 at 6:00 p.m. would be rescheduled for Tuesday, 1994 October 11 at 6:30 p.m.

(c) Computer Sports Games

Alderman Drury advised of the proposed business to run computer sports games in bars, etc., and the subsequent difficulties in finding the appropriate licensing for this venture.

Licence Division staff were directed to meet with the Building Department staff to review this matter and report back to the Committee in this regard.

3. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved.

3. **SHOW CAUSE HEARINGS**

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the restaurant licence application of William Chase be granted for a six month probationary period.
- (b) That the taxi cab driver licence application Alexander Fraser be granted for a twelve month probationary period.

The Committee then resumed in open session.

(c) **Hamilton Hurricanes Football Club - Bingo Licence**

Mr. Sean Richarz, Solicitor on behalf of Mr. Coleman, attended and apologized for the lateness of his client, whom he expected to arrive momentarily.

Mr. Barubek, the former Vice-President of the Hamilton Hurricanes Football Club, was in attendance and the Committee was advised that Mr. Barubek had submitted reconstructed financial reports, signed by himself alone. He had also submitted bank statements showing zero balances, and in some cases overdrafts. No deposit slips had been submitted.

Sheila Rotondi was sworn as a witness and gave evidence with regard to accounts which had been submitted. In response to questions from Mr. Richarz, Ms. Rotondi stated that approximately \$10,000. would have been raised from Bingo games and approximately \$6,000. from Nevada games, making a total of approximately \$16,000. not accounted for.

The Committee noted that the police were already investigating this matter.

Doug Rose, Chief Licence Inspector, introduced copies of letters which had been sent to Mr. Barubek and Mr. Coleman, indicating their lateness in submitting reports and the consequences thereof. Ms. Rotondi advised of contacts with Mr. Barubek and Mr. Coleman, and attempts made by the Licence Division to explain the Bingo reporting requirements.

At this point Mr. John Coleman joined the meeting.

Walter Barubek was sworn as a witness and gave evidence that he had held the position of President with the Hurricanes football club from 1974 until the previous year. He explained the practice following bingo games whereby reports were completed and passed to Mr. Coleman.

Mr. Barubek stated that he had resigned because of differences with Mr. Coleman. He had been advised by the Bank in September, 1994 that cheques he had written on the account for rent, expenses, etc., were not good. He considered that over \$10,000. should have been in the bank account at that time. However, he was advised by the bank that this was not the case and discovered that Mr. Coleman had removed him from the account as a signing officer on April 28 without advising him of this.

Mr. Coleman was sworn as a witness and gave evidence that he had been brought in to save the Hurricanes football club but, at that time did not know the extent of the debt. He advised of difficulties with trainers and other board members and stated that he had built the account from \$1,300. to \$28,000. When asked by the Chairperson why the City had not received statements, etc., Mr. Coleman responded that he could not get Mr. Barubek to sign cheques and had therefore paid cash out of his own pocket to meet expenses. Mr. Richarz ascertained that Mr. Coleman was now the only member of the Board of Directors but that he was working with the lawyer's office to try to reconstitute the Board of Directors. Mr. Coleman asked that all correspondence be mailed to himself in the future, rather than to Mr. Barubek. He advised of difficulties he had experienced in understanding the reporting procedures. He explained that he kept money in petty cash in the office and only put money into the bank account when it was needed to issue certified cheques.

Mr. Richarz explained that after Mr. Barubek was discontinued as a signing officer, Mr. Coleman could not use the bank account until new signing officers were in place.

Responding to a question from Mr. Jones, Mr. Coleman stated that he was in possession of at least \$2,000. - \$3,000. at the present time. Mr. Richarz advised that Mr. Coleman had attended at his office and had retained a lawyer with the express purpose of cleaning up the minute book and preparing to reconstitute the Hamilton Hurricanes, Mr. Bastion being the lawyer in question.

In his final submission, Mr. Richarz informed the Committee of problems within the organization, disagreements and personality conflicts. He said the organization had not been properly managed over the past few years and the club was looking at a major reorganization at this point. He said it was not in the best interests of the club to revoke the Licence for fundraising and asked for an adjournment in order to gather more information.

Mr. Rose, on behalf of the City Licence Division, stated that Mr. Coleman had been aware of his responsibilities and that he had been warned of the same both verbally and in writing. He said he felt it was necessary to send a message to the bingo industry that the City takes the rules very seriously and therefore was recommending that the licence be revoked.

At this point the Committee agreed to take the matter under advisement and retired in camera to consider the matter.

Resuming in open session, the Licensing Committee agreed to revoke the bingo Licence No. M207539 of the Hamilton Hurricanes Football Club immediately, until such time as a legally constituted Board of Directors is in place and the club can provide proof of financial stability.

The licence was revoked on the grounds of failure to provide the required financial reports and documentation and the Committee further requested that the Hamilton-Wentworth Regional Police step up its investigation into the status of missing funds and with respect to charitable funds raised by bingo and Nevada games.

4. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved.

- RECOMMENDATION -

DATE: 1994 November 3

REPORT TO: Stella Glover
Secretary, Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Promotional Scheme - R.I.D.E. Program

RECOMMENDATION:

That approval be given to the proposal for the R.I.D.E. Promotional Scheme, initiated by the Hamilton-Wentworth Regional Police Services and endorsed by the City's Taxi Brokerages, to distribute a special key ring containing a voucher for a specified amount off the price of a taxi ride during the 1994-95 Holiday Season, December 1, 1994 to January 8, 1995, in order to help reduce the number of impaired drivers.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

N/A

BACKGROUND:

The Licence By-Law states that any Taxicab Broker, Owner or Driver who wishes to participate in a promotional scheme, which directly or indirectly subsidizes the taxicab rates or fares, requires the consent of the Licensing Committee.

On 1994 October 21, the City Clerk received a request from the Hamilton-Wentworth Regional Police seeking endorsement of a tentative proposal for a promotional scheme for the R.I.D.E. program. It is their intention to distribute a special key ring, containing a voucher for a specified amount off the price of taxi ride. The objective of this promotional scheme is to reduce the number of Impaired Drivers during the Holiday Season. All City of Hamilton and Regional Brokerages have been approached and endorse the program in principle.

REPORT TO: Stella Glover
Secretary, Licensing Committee

FROM: Mr. J. J. Schatz
City Clerk

SUBJECT: Private Taxi Owner Not Affiliated
with City Taxi Brokerage

BACKGROUND:

Attached is a copy of submission from Mr. W. A. Gravelle, which was received by the Taxi Advisory Committee on October 18, 1994, and subsequently referred to the Licensing Committee for consideration.

The nature of the inquiry concerns the fact that the owner of City of Hamilton Private Taxicab Owner's Licence #118, Mr. W. Scime, is not affiliated with any City of Hamilton Taxicab Brokerage and also uses taxi stands in the Downtown Core.

City of Hamilton Taxicab By-law 92-172, as amended, defines a "Taxicab" as a motor vehicle, having a seating capacity of not more than 10 persons including the driver, hired for one specific trip, for the transportation exclusively of one person or a group of persons. The By-law requires that a taxicab is equipped with a 2-way radio.

A "Public Taxicab" means a taxicab that operates from the Public Taxi Stand and is without a 2-way radio or other form of radio dispatch to locate passengers not at a Public Taxi Stand.

A "Taxicab Broker" means any person who accepts calls in any manner for taxicabs that are used for hire and that are owned by a person other than the Taxicab Broker

All taxicabs, both public and private, can operate from all taxi stands with the exception of one location. This location is on King Street East in front of Effort Trust, which is reserved for the two licensed public taxicabs.

The By-law does not require that a private taxi use a Taxicab Broker. The distinction between "public" and "private" taxicabs is that "public" taxicabs may not have a 2-way radio and

"public" taxicabs have exclusive use to one taxi stand for specified hours.

Mr. Gravelle states that the taxi stands were established only for taxicabs operating from the Taxi Brokerages. The By-law does not require this. He further states in his submission that out-of-town taxicabs may also be able to use these taxi stands. While this maybe possible, it has not been a problem.

For the information of members of the Committee, Mr. Scime is not operating his taxicab in contravention of any By-law regulation and no complaints have been received about Mr. Scime misusing any taxi stand. We do not see any reason why private taxicabs should be prohibited from working independently.

SUBMISSION TO TAXI ADVISORY COMMITTEE

ISSUE: (Outline what is the basic issue that you wish discussed by the committee) A TAXI OWNED BY WILLIAM SCIME #118. THIS OWNER IS NOT AFFILIATED WITH ANY BROKERAGE & IS OPERATING AS AN INDEPENDANT BY SITTING IN THE PRIVATE TAXI ZONES.

BACKGROUND: (Please explain briefly the background of this issue and what you feel will be the impact on the Taxi Industry.)

- ① IF THIS OWNER CAN OPERATE IN THIS MANNER, WHAT WILL STOP OTHER PLATE OWNERS FROM DOING THE SAME. OR OTHER BROKERS WITHIN THIS REGION?
- ② #118 IS PARKING THROUGHOUT THE DOWNTOWN CORE IN THE "TAXI ZONES" WHICH MY UNDERSTANDING OF THESE "TAXI ZONES" WAS THAT THEY WERE ESTABLISHED FOR TAXIS WITH ANY OF THE BROKERAGES. (THEY SIGN A INDICATE VETS (REA) BLUE & YELLOW - NO OTHERS)

WHAT SHOULD THE TAXI ADVISORY COMMITTEE/CITY DO?

IF SCIME REFUSES TO ASSOCIATE WITH A BROKERAGE, HE SHOULD LEASE OR SELL THE PLATE, OR AT LEAST EXCHANGE THE ~~PRIV~~ PRIVATE TAXI PLATE FOR A 'PUBLIC' PLATE AND MUST OPERATE WITHIN THOSE GUIDELINES AS SET BY CITY HALL!

OTHER RECOMMENDATIONS OR COMMENTS:

RULES WERE MADE FOR A REASON therefore SCIME SHOULD COMPLY OR FACE THE PENALTY (i.e. A SUBSTANTIAL FINE OR AS I MENTIONED ABOVE.)

PETITION

We, the undersigned, all of whom reside in the district between King St. and Main St., on Holton Ave., Proctor Blvd., St. Clair Ave., and on Dunsmuir between Holton and Sherman Ave., that is, within a 180 metre radius of #44 PROCTOR BLVD., strictly oppose the re-establishment of a Residential Care Facility / 2nd Level Lodging Home, presently under illegal renovation at #44 PROCTOR BLVD. Whereas all Building Permits issued state "single-family dwelling", and whereas, for the past 2 years, the house has been at various times, unoccupied, lived in by a single woman and her daughter, or recently by one older man, we believe the previous lodging home use has changed, and we insist that the City Council do all in its power to stop the re-establishment of #44 PROCTOR BLVD., especially its being granted a 2nd Level Lodging Home license without so much as a public hearing.

As residents of this neighbourhood, we feel that the over-concentration of these institutions has detrimentally altered the character, safety, and liveability of our neighbourhood. Furthermore, the establishment of yet another residential care facility is not necessary, as there is already a duplication of such services within the Region (currently a 24% vacancy rate).

There are presently 3 other 2nd Level Lodging Homes within 180 metres of #44 Proctor, located at: 57 PROCTOR BLVD. (17 residents), 81 PROCTOR BLVD. (23 residents), and 75 ST. CLAIR AVE (10 residents); and immediately outside the 180 m. radius are two other facilities at 904 KING ST.E. (24 residents), and 55 SHERMAN AVE. (22 residents).
